

RECOMMENDED SPARE PARTS

OCTOBER 12, 1971

The recommended Spare Parts Listing takes into account that some parts used in certain elements of the IBM 9020 System have usage based on the production level or component technology. Where possible we have noted those unique parts by an alphabetic character to the left of the part number.

The prices shown are for information purposes only.

An explanation of the alphabetic characters is as follows:

- A. IBM Card Read Punch (2540) Below Serial No. 16000
- B. IBM Card Read Punch (2540) Above Serial No. 16000
- C. IBM Tape Control (2803 SMS) Serial No. 3XXXX
- D. IBM Tape Control (2803 SLT) Serial No. 11XXX

NOTE

IBM  
PART NO
